re: U.S. APPLICATION NUMBER: 10/680830
FILING DATE: 07OCT03
NAME OF APPLICANT: Timothy Raymond Cronin
TITLE OF INVENTION: Certified protection from subliminal
content for recordings.

Dear Sirs:

I received a NOTICE TO FILE MISSING PARTS OF NONPROVISIONAL APPLICATION very early last month. I responded to that NOTICE with two letters, the first of which was received at your address on September 09, 2005. The second which was received at the USPTO Mail Center on October 05, 2005. But I did not send any money.

The Formalities Letter (see enclosed copy; and, too, a copy of the FILING RECEIPT showing corrections) which contained the NOTICE mentioned above listed amounts I needed to pay to avoid abandonment of my application for a patent. But my utility patent application made in October of the year 2003 was said to have been "lost in cyberspace" at the USPTO. Consequently, I did not believe that the fees and surcharge listed in the SUMMARY OF FEES DUE section of that Formalities Letter were correct; and this I described in my letter to your office in early September of this year.

However, in that letter I wrote that I thought the total payment indicated by the SUMMARY OF FEES DUE section of the Formalities Letter was \$1130.00. But the actual payment is probably half of that amount, i.e. \$565.00 (the amounts listed after black dots under the top line of page two of the Formalities Letter probably are a breakdown of the \$565.00 mentioned in that top line).

Although I contest the surcharge and at least one of the other fees, to avoid further delay in processing or abandonment of my utility patent application I am sending an additional payment along with proof of an earlier payment together which amount to \$565.00. And I'm doing so in time to meet the deadline (which is probably 30OCT05).

Sincerely,

Timothy Raymond Cronin
